Vegetables Spilled by Crossing Crash

A truckload of vegetables, driven by one Isuan Japanese truck gardener of Moneta, was overturned on the evening of July 6 at the corner of Redondo and Hawthorne boulevards when the truck was reported struck by a machine driven by G. L. Graves, Jr., of Lomita, according to the police.

No one was hurt, police said, but the vegetables were scattered for some distance. Mr. Graves told the investigating officers that the truck driver failed to observe the boulevard stop.

KEYSTONE NOTES

(Continued from Page 1, this sec.) girls of convention. The Keystone ladies were guests at a luncheon served at noon at the San Pedro church.

Rev. H. B. Transchel, pastor of the Keystone Baptist church, filled the pulpit at the First Baptist church in Oxnard Sunday while Rev. George C. Wright of Los Angeles preached at the Keystone Baptist church.

Rev. Transchel will commence his vacation following the services at the church next Sunday. He will return to his pastorate August 10.

Mr. and Mrs. T. G. Cunningham and family of Amelia street moved to La Crescenta Sunday where they spent the day at the home of Mr. and Mrs. H. B. Nidaver and family, formerly of Keystone.

Miss Mary Nidaver accompanied them here for a week's visit.

Mrs. E. Lillard, mother of J. T. Lillard of Dolores street has returned here from Chickasha, Oklahoma following a month's vacation. Her grandson, Harry Whistler, returned here from Oklahoma with Mrs. Lillard and will make his home with Mr. and Mrs. J. T. Lillard.

CONTRACT FOR PAVING 257TH STREET GIVEN

Assessments for 186th Street Work Approved by L. A. Council

Paving and improvement of 257th street between Belle Porto avenue and Governor avenue will be done by the George H. Curtis Paving Company, lowest bidder for the work according to a report received here this week from A. E. Henniar, Los Angeles councilman for the 10th District.

Further hearing of protests against the lighting of 186th street between Hoover and Vermont avenues was continued by the Los Angeles council until July 15. Henniar's report stated. The council confirmed the assessment for the improvement of 186th street from Normandie to Western avenues.

India's non-violent campaign reminds us of some of our non-pollitic commissions—Brunswick Pilot.

"The Steeps"—A Modern Home

THE STEEPS HOUSE H-120
By DUNCANHUNTER Architect, New York

You have bought a new car, a new radio set, have taken a long trip perhaps and otherwise enjoyed the modern life, but—is your home modern? Are you satisfied with just a house? Don't you honestly feel that your home should come first? Start right—and do it now. Build yourself a home that will give you lasting pride. Your new car will not look so good in another year and in two years will need to be scrapped. Your modern house will give you the best satisfaction and give it to you for years.

The house illustrated is of the modern type without the extremes. It has an economical plan arrangement that has been worked out for convenience, living. Note the dressing room off the main bed room, the recreation room in the basement and the service accommodations on the third floor. Note the large windows to let in the sunlight and the summer breeze. Note the substantial and simple construction—brick walls, tile roof and metal windows. No worry over repair bills, there won't be any. This house is thoroughly up to date in every particular and of an advanced type of design so that you may have a distinctive home. It is not expensive to build and does not require a large lot.

Specifications Given
The Steeps is modern and it lists as follows: basement, recreation room, laundry, heater space, etc.; first floor, entrance with coat closet, living room, sun room, dining room, kitchen; second floor,

three bed rooms, dining room, wardrobe and closets; third floor, servant's room, bath and storage space.

The ceiling heights are: basement, seven feet; first floor, eight feet; second floor, eight feet; third floor, seven feet six inches. Exposure: The plans as shown are for a lot facing south or west. For a lot facing north or east the plans should be reversed. Lot size, house frontage, 42 feet; side clearance, left 10 feet, right 8 feet. Lot frontage, minimum, 60 feet.

Construction, exterior walls, brick; roof, tile; foundation, concrete; windows, steel casements and doors, wood to special details. Interiors, floors, wood, for linoleum finish; walls, plaster; ceilings, plaster; kitchen, composition tile; bath rooms, tile and steam heat; gas and electric wiring. Cost, \$2,300, including tools. Approximate cost, \$9500, complete working plans and specifications of this house are available for a nominal sum. Address the Building Editor and refer to House H-120.

NEVER BEFORE IN SO SHORT A TIME HAVE SO MANY WOMEN MADE SUCH AN IMPORTANT DECISION

During the first six months of 1930, Southern California Edison Co. Ltd. installed more Electric Ranges than in any other like period in its history. Never before in so short a time have so many women made such an important decision.

Two Great Groups of Ultra Modern Electric Ranges Offer YOU These Same Advantages

A new shipment of the ultra modern, fully automatic Electric Ranges which have brought new freedom, new interests, a new sense of achievement into the lives of these thousands of women is now on display at your Edison office.

Especially now, with the hottest summer months at hand, you should see these ranges. Come in, if you can. Or, if more convenient, mail the coupon below, and have an Edison representative call. Either way, there will be no obligation to buy... but ownership will be made extremely easy if you wish it, as we are quite sure you will.

Southern California Edison Co. Ltd.
Los Angeles, California.

Please have a representative call with photographs of the new 1930 entirely automatic Electric Ranges. Also tell me about the Edison Special Low Combination Rate for Electric Range users, which will save me money on electricity for every household use.
